

How to Watch Training Videos

see <https://support.windwardsoftware.com/a/solutions/articles/66000481499>

Our self-help now uses VLC media player for video content.

[Download VLC Here](#)

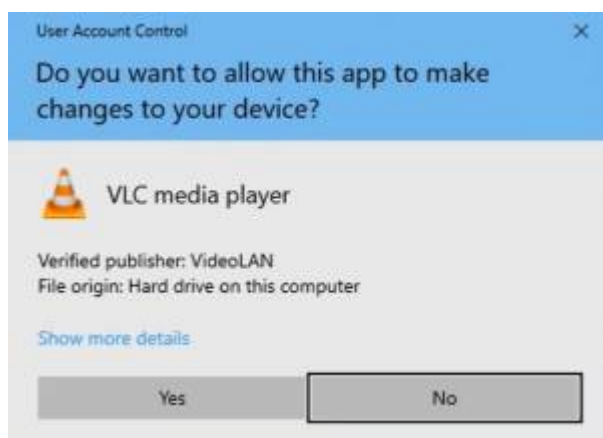

Install VLC media player

1) Download the VLC media player from <https://www.videolan.org/vlc/index.html> and select the version for your operating system.

2) Install the file vlc-x.x.x-os from your download folder.

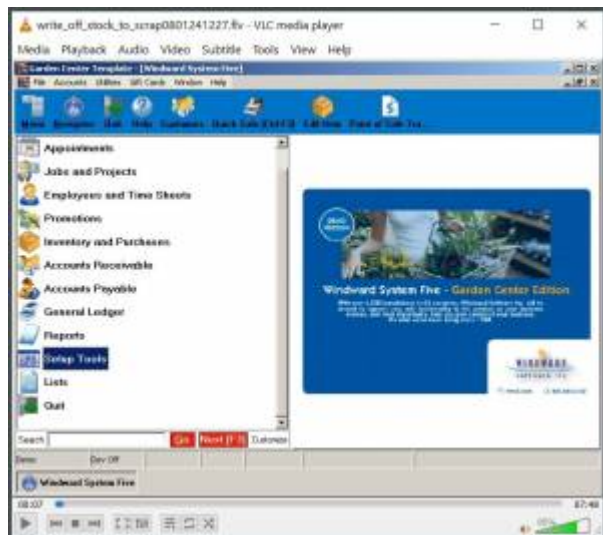

3) Verify that the publisher is VideoLAN.

4) Run through the directions on the installer.

Play your downloaded training videos using VLC

- Simply double click on the videos from your download folder to launch VLC media player

- Use the player's controls to pause, play, and scroll through the video.
- For additional help using VLC media player please refer to the help section within the player.
